Explore *Florida Memory*

...and discover your past

www.floridamemory.com

Florida Memory provides online access to primary records that illustrate significant moments in Florida's history.

Visit *Florida Memory* to explore the state's rich history through:

- historic documents
- photographs
- audio recordings
- video
- educational resources for teachers and students of all ages

Online Resources

Photographs

Search over 170,000 images from the Florida Photographic Collection, the most complete visual history of Florida online.

Video

View full-length films featuring all things Florida, from alligators and the Everglades to mermaids, politics and early silent films.

Audio

Listen to over 1,500 sound recordings of music performances, oral histories and over 50 years of the Florida Folk Festival.

Collections

Online access to archival collections including veterans' records, land grants, family papers, church records and folklife.

Exhibits

Essays on Florida history illustrated with selected documents and photographs.

Classroom

Educational units and resource guides designed to help educators bring primary sources into the classroom.

The **State Library and Archives of Florida** collects, preserves, and makes available the documentary history of the state.

"By Streamliner Thru Tropical Florida"
(Postmarked January 1, 1948)

The **State Archives** collects historically significant state records, as well as private manuscripts, local government records, photographs, and other materials that complement the official state records.

This program has been funded under the provisions of the Library Services and Technology Act, from the Institute of Museum and Library Services, administered by the Department of State's Division of Library and Information Services.
